Notes				
* Games are 20 minute halves with teams switching sides/benches at half time				
* Each team must pick a goalie for each game from within their team (same person can always be goalie)				
* A win is worth 3 points. All games must have a winner. Any game ending in a tie will be decided by a shootout consisting of 3 players from each team. If still tied then sudden death shoot out until a winner is decided.				
* In the final, if it is a tie game after regulation time, two 5 minute halves will be played (not golden goal). If still tied, then it will go to a shoot-out with 3 shooters.				
* The tie-breaking procedure after the round robin will be as follows:				
<u>If 2 teams are tied</u>			<u>If 3 teams are tied</u>	
1) The winner of the match between those two teams			1) Goals for and against including all games played among the three teams	
			2) Least goals against	
			3) Most goals for	
			4) Shoot-out (3 shooters per team against each team. Top two teams with the most goals move on. If two teams still tied, then a shoot-out between those two teams)
